- 
- Age  
Effects of age and housing conditions on the behavioural and haemolytic reaction of piglets to weaning ..... 299
- Aggression  
Physical isolation of hand-reared Hereford bulls increases their aggressiveness toward humans ..... 263  
The effect of environment enrichment on aggression in newly weaned pigs ..... 41
- Alarming events  
Are alarming events good for captive monkeys? ..... 169
- Behaviour  
Physiology, behaviour and well-being ..... 367
- Behavioral phenotype  
Open-field assessment of behavioral phenotype within genetic stocks of the White Leghorn chicken ..... 115
- Captivity  
Important ethological and other considerations of the study and maintenance of reptiles in captivity ..... 363
- Cattle  
Behavioural compensation for limited grazing time by herded cattle in central Nigeria . 9  
Maternal recognition in Gyr (*Bos indicus*) calves ..... 183  
Physical isolation of hand-reared Hereford bulls increases their aggressiveness toward humans ..... 263  
Social behaviour in domestic beef cattle when yearling calves are left with the cows for the next calving ..... 193  
Social dominance in dairy cattle and the influences of housing and management ..... 201  
Stabilization of social hierarchy in dairy cows ..... 287  
The effect of environment and stage of the oestrous cycle on the behaviour of dairy cows ..... 21  
The effects of long-term individual vs. group housing on the sexual behavior of beef bulls ..... 277
- Chemoreception  
Olfactory and vomeronasal chemoreception and the discrimination of oestrous and non-oestrous ewe urine odours by the ram ..... 325
- Cleanliness  
The maintenance behaviour and cleanliness of pigs in two-tier weaner decks ..... 33
- Computer  
Computer-assisted recording of live and videotaped horse behavior: reliability studies . 1  
Quantifying motivation using a computer-controlled push-door ..... 159
- Cortisol responses  
Effect of hypothalamic factor treatments on the behaviour of sows during lactation and on their behavioural and cortisol responses to weaning ..... 231
- Density survey  
Density of *Macaca mulatta* and *Presbytis entellus* in the old city of Jaipur: a three year survey ..... 351

## Environment

Behaviour and distribution of fattening pigs in the multi-activity pen .....	311
Effects of age and housing conditions on the behavioural and haemolytic reaction of piglets to weaning .....	299
Effects of housing on social preference and behaviour in male golden hamsters ( <i>Mesocricetus auratus</i> ) .....	253
Effects on behaviour and plumage of a key-stimuli floor and a perch in triple cages for laying hens .....	127
Preferences of hens for shape and size of roosts .....	141
Previous experience with different floors influences choice of peat in a Y-maze by domestic fowl .....	177
Social dominance in dairy cattle and the influences of housing and management .....	201
The effect of environment and stage of the oestrous cycle on the behaviour of dairy cows .....	21
The effect of environment enrichment on aggression in newly weaned pigs .....	41
The influence of different social and physical environments on the incidence of lactational oestrus in sows .....	269
The influence of rearing conditions on the social relationships of young male goats ( <i>Capra hircus</i> ) .....	105
Thermoregulatory behaviour of sheep housed in insulated and uninsulated buildings ...	243

## Ethological considerations

Important ethological and other considerations of the study and maintenance of reptiles in captivity .....	363
--	-----

## Goats

The influence of rearing conditions on the social relationships of young male goats ( <i>Capra hircus</i> ) .....	105
---	-----

## Grazing

Behavioural compensation for limited grazing time by herded cattle in central Nigeria .	9
---	---

## Hamsters

Effects of housing on social preference and behaviour in male golden hamsters ( <i>Mesocricetus auratus</i> ) .....	253

## Monkeys

Are alarming events good for captive monkeys? .....	169
---	-----

Density of <i>Macaca mulatta</i> and <i>Presbytis entellus</i> in the old city of Jaipur: a three year survey .....	351
Motivation	
Quantifying motivation using a computer-controlled push-door .....	159
Multi-activity pen	
Behaviour and distribution of fattening pigs in the multi-activity pen .....	311
Oestrous cycle	
The effect of environment and stage of the oestrous cycle on the behaviour of dairy cows .....	21
Pain	
Behavioural evidence for persistent pain following partial beak amputation in chickens .....	149
Partial beak amputation	
Behavioural evidence for persistent pain following partial beak amputation in chickens .....	149
Physical isolation	
Physical isolation of hand-reared Hereford bulls increases their aggressiveness toward humans .....	263
Physiology	
Physiology, behaviour and well-being .....	367
Pigs	
Behaviour and distribution of fattening pigs in the multi-activity pen .....	311

Prepartum behavior	
The influence of straw, cloth tassel, or both on the prepartum behavior of sows .....	53
<i>Presbytis entellus</i>	
Density of <i>Macaca mulatta</i> and <i>Presbytis entellus</i> in the old city of Jaipur: a three year survey .....	351
Rearing conditions	
The influence of rearing conditions on the social relationships of young male goats ( <i>Capra hircus</i> ) .....	105

## Relationships

Effects of housing on social preference and behaviour in male golden hamsters ( <i>Mesocricetus auratus</i> ) .....	253
Long-term associations between Merino ewes and their offspring .....	93
Maternal recognition in Gyr ( <i>Bos indicus</i> ) calves .....	183
Physical isolation of hand-reared Hereford bulls increases their aggressiveness toward humans .....	263
Social behaviour in domestic beef cattle when yearling calves are left with the cows for the next calving .....	193
Social organization of Merino sheep of different ages, sex and family structure .....	337
Stabilization of social hierarchy in dairy cows .....	287
The influence of rearing conditions on the social relationships of young male goats ( <i>Capra hircus</i> ) .....	105

## Reptiles

Important ethological and other considerations of the study and maintenance of reptiles in captivity .....	363
--	-----

## Sexual behavior

The effects of long-term individual vs. group housing on the sexual behavior of beef bulls .....	277
--	-----

## Sheep

Long-term associations between Merino ewes and their offspring .....	93
Olfactory and vomeronasal chemoreception and the discrimination of oestrous and non-oestrous ewe urine odours by the ram .....	325
Parallel changes in the proceptive and receptive behaviour of the ewe .....	73
Social organization of Merino sheep of different ages, sex and family structure .....	337
Thermoregulatory behaviour of sheep housed in insulated and uninsulated buildings ...	243

## Social hierarchy

Stabilization of social hierarchy in dairy cows .....	287
---	-----

## Social organization

Social organization of Merino sheep of different ages, sex and family structure .....	337
---	-----

## Urine odours

Olfactory and vomeronasal chemoreception and the discrimination of oestrous and non-oestrous ewe urine odours by the ram .....	325
--	-----

## Weaning

Effect of hypothalamic factor treatments on the behaviour of sows during lactation and on their behavioural and cortisol responses to weaning .....	231
Effects of age and housing conditions on the behavioural and haemolytic reaction of piglets to weaning .....	299

## Well-being

Physiology, behaviour and well-being .....	367
